 <p>Price Jones LLC* 3627 Wheaton Way Bremerton, WA 98310 360-377-6119 Email</p>	<p>“Price Jones LLC., or PJ’s Home Energy Services, is an independent, local contractor providing affordable efficiency measures for existing and new building structures. Since 2007, we’ve been servicing homes, training building science contractors, teaching weatherization courses and participating in building science research projects. Our understanding of building science allows us to recommend specific efficiency services beneficial to your building structure or find solutions to problems with building performance. These improvements can often reduce bills, improve a building’s air quality, and increase personal comfort inside the building. We strive to increase public awareness of energy conservation through exceptional service and education.”</p>	<p>Blower door test PTCS duct sealing HVAC</p>
